We believe in a world where
every single Young Carer is
supported by someone or
something by 2030.

A letter from our Founder and CEO

This year has marked a significant time for Little Dreamers, not only has it been a great year of change and growth, but 2019 marks our 10th birthday.

Little Dreamers set ambitious targets for both funding and impact this year. We wanted to do more with less. Nothing new, just refining and improving what we had. Co-designing our programs, developing alongside Young Carers and their families, creating more impact for more Young Carers around Australia.

Over the past 8 months the Little Dreamers Dream Big message has reached over 118,000 people, travelled to two different continents, engaged 70 volunteers, and impacted the lives of 2,270 Young Carers.

I know these numbers are just statistics, but I can tell you that this means that hundreds of thousands of people now know more about Young Carers than they would have been, thousands of people receiving care now have more empowered young people in their families, thousands of Young Carers now have an improved quality of life.

I have personally met many of the Young Carers going through our programs and I would like to take this opportunity to thank you for your ongoing support on their behalf.

Remaining focused on the task at hand, differentiating ourselves as an organisation based on culture, programs and impact has been a key focus of ours for this year. We have improved our systems and processes, implemented Salesforce as a database management tool, tightened our operations, hired new staff and enhanced our impact measurement framework. We can now provide better, quicker and more meaningful support to the Young Carers in our communities.

What you are about to read is a report celebrating your contribution to Little Dreamers. We have made some important decisions throughout this year that make your support go so much further.

I am very proud of how far we have come this year, the team we have built and the impact we have had...and there is still four months to go. The future is looking brighter than ever for both Little Dreamers and more widely for Young Carers.

With love and big dreams,

Madeleine Buchner OAM

Little Dreamers Overview

- What we do.

Overview

Founded in 2009, Little Dreamers is a non-profit organisation that improves the quality of life for Young Carers.

To achieve this, we advocate for policy change and run campaigns to raise awareness in Australia and around the world. Our dedicated one-to-one and group support programs reflect our desire for change and commitment to Young Carers.

We are revolutionising the way Young Carers are supported. Little Dreamers is headed up by Young Carers, who have created international best practice programs that are developed from a position of empathy and understanding.

We believe that we are never going to reduce the number of Young Carers around the world but we can increase the support and reduce the negative impacts of being a Young Carer.

We can only do this if we all work together.

In 2018/19, we ran 88 programs
across Australia, supporting 2,270
Young Carers through socialisation,
respite opportunities, access
to supported education and
employment opportunities and
peer support to improve
their quality of life.

Big Dreamers Business Mentoring

- Profile stories on two of our Big Dreamers and their industry experience.

About Our Business Mentoring

Industry Experience: Supre

Aylin's dream job is to work in fashion and media so she was matched with Jeannie, Assistant Planner at Supre. Spending the day at the head office, Aylin went on a tour, was taught about social media marketing and visited the following teams:

- Buying
- Social Media
- Digital Marketing
- Executive

Aylin even had a store visit!

"It was so much fun! I loved the social media aspect of things and Jeannie was amazing. Everyone at Supre was so lovely" – Aylin Olmez

Industry Experience: QANTAS

Will's dream job is to be a flight attendant, so for his industry experience he was matched a pilot from QANTAS, Alan Craig. During their time together they met with CSM Chris Gilbert, CSS Sharon Khoury-El-Cheikh and their QF93 crew. This gave Will an insight into a cabin crew briefing and the start of a flight attendant's day. A special appearance from Captain Steve Ager was a wonderful surprise!

Will and Alan then went to the Flight Training Centre for a tour of the facility including going through the Emergency Procedures and flight simulators. Will went home with some very special QANTAS gifts as a reminder of his special day.

"It was an inspiring day that I hope will assist in Will's dream coming true" – Alan Craig

Mentoring Program Stories

MEET SOME OF OUR INCREDIBLE YOUNG CARERS AND THEIR MENTORS

GRACE, 11, AND CLEE

Grace is the older sister to Harrison. Harrison was diagnosed with a potentially fatal form of muscular dystrophy called Duchenne. His condition has been progressively getting worse. Much of Grace's life is taken up looking after her brother and helping out her parents. She is very loving but really wanted someone to spend one on one time with and be dedicated just for her.

Grace has been matched with Clee, a social work student. Both living in Brisbane, they have done lots of creative activities together and recently even attended a unicorn festival!

***"The mentoring is going amazingly. Grace came home with a giant grin on her face. She's a great match for Grace."* – Grace's mum.**

ALEX, 13, AND DARREN

Alex is the primary carer for his mother and has been for the past 8 years. His caring role is significant within the household and includes: showering his mum, catheter care, shopping, cooking, making lunches, gardening, cleaning, helping his mum get dressed, preparing her hospital bags and supporting her once home from her hospital stays. They have no other family in Victoria and just a few friends who support them. Alex attends school full time and gets up at 5am in the morning to get his mum ready and get himself to school. Due to his caring duties Alex doesn't get much time to just be a kid.

Alex has been matched with keen sports fan, Darren. For Darren, a highlight was introducing Alex to his own kids who are a similar age. They all went to the movies, a special experience for Alex as he has not had the opportunity to go to a regular cinema. Alex was able to lay back in his reclining seat with popcorn and Maltesers and Darren said his smile was priceless.

JAY, 11, AND CAMERON

Jay cared for his father for a number of years with significant mental health issues until he committed suicide. Jay has struggled emotionally since losing his father and doesn't have a lot of people to spend time with outside of school. He indicated to Little Dreamers that he feels there is a hole in his life and would love someone who could take him bike riding or to the park or something his mother might not always be able to do.

Meet Cameron! Cameron grew up as a Young Carer himself and wanted to provide someone with the connection he wished he had when he was younger. They meet on a fortnightly basis and have been doing activities like bike riding, attending art galleries, playing mini golf and even riding in a Lamborghini. Jay's mother believes that his behaviour at school has improved since having Cameron around and generally his mood has improved.

CHARLOTTE, 12, AND MORGAN

Charlotte is a Young Carer for her father, who currently has two types of cancer. She lives in the commission flats in Port Melbourne with her 3 older brothers, sharing a bedroom with her father. Her dad is unable to work, and the family struggles financially.

Charlotte and Morgan were matched and have been building a strong relationship over the past 5 months. Weekly activities have included tie dying tops and socks, getting their nails painted, making ginger bread houses, doing each other's make up and going to Crown for their free Christmas activities. They even went to Port Melbourne beach and won cool lollypops at the arcade.

Dream Experience Highlights

SOME OF OUR DREAM EXPERIENCES IN 2018 - 2019

SAM'S DREAM EXPERIENCE

Sam is 15 years old and is a Young Carer for his younger brother Jack who has a rare brain condition. As a result of Jack's condition, it has been difficult for Sam to pursue his goals, specifically with cricket. For Sam's dream experience, he visited the Tasmanian Cricket team at Junction Oval. He warmed up with them, had a go in the nets and bowled/batted with the team. Sam had an incredible time!

"Many, many thanks to Little Dreamers Australia and to all associated with Cricket Tasmania and the Tasmanian Tigers team for giving Sam what he told me was the best day of his life! An afternoon he will never forget and an experience that will continue to inspire him to keep reaching for his dream." - Sam's mum.

RILEY'S DREAM EXPERIENCE

Riley is 11 years old and is an incredible support to his brother Hayden who has an inoperable brain tumor. Riley's Dream was to be a TV animal presenter (think Steve Irwin or David Attenborough!). Through our program he was able to attend Reptile Encounters where he got a behind the scenes tour of the facilities by owner Josh Cox where over 100 reptiles are stored. He filmed content for his Instagram and hopes one day to have a big following!

MAGGIE'S DREAM EXPERIENCE

Maggie is a Young Carer for her younger brother with Autism. For Maggie's Dream, her family was treated to a weekend away at the Summer House in Torquay, entry to Geelong Adventure Park and a dolphin swim.

"We have just arrived home from the most amazing three days...our first ever family holiday! Maggie had the best time ever! We really don't know how to thank you, we will remember this for the rest of our lives." - Maggie's mum.

ALEX'S DREAM EXPERIENCE

Alex cares for his brother with an undiagnosed disability and for his Dream he participated in a Hawthorn training session, met the players and went into the rooms on game day!

"Having the opportunity to go down to Hawthorns training and meet all the players and coaches was one of the best moments of my life. The feeling of seeing my "heroes" was something I will never forget. To see inside the rooms and all the boys in action against Essendon with my best mates will be something we will talk about until we are all sitting in rocking chairs!" - Alex.

ALYSSA'S DREAM EXPERIENCE

At just 5 years of age, Alyssa is an incredible Young Carer for her brother who has Autism, Speech Processing Disorder, and language processing delay. Alyssa plays a role in caring for her mother, who has undergone multiple surgeries as a result of a car accident and requires ongoing attention as a BRCA1 gene carrier.

Alyssa's Dream was to attend Carols by Candlelight at Sidney Myer Music Bowl. With our accommodation partners Crowne Plaza Melbourne, Alyssa and her family were treated to two night's accommodation at Crown Plaza and tickets to Carols.

ALANA'S DREAM EXPERIENCE

Alana is 7 years old and spends a lot of my time caring for her brother Matt, who has Autism. She loves her brother very much and spend lots of time helping him communicate to make sure he is happy. Alana loves animals, so we arranged for an exciting day out at Melbourne Zoo.

"I had the most wonderful day! I did not stop smiling from beginning to end and I really enjoyed the animal experiences with both the gorillas and the giraffes!" - Alana.
